# BASE MODEL SANDWICH UNIT

## Model: RA68N8-D

Natural Refrigerant R-290 Model

## 68" Standard Top Sandwich Unit Refrigerator with Drawers - 8 Pans

Heavy gauge #300 series stainless steel top, stainless steel front and end panels, galvanized steel rear and grills and aluminum interior.

### **Options and Accessories**

| (upcharge and lead times may apply) |                                                           |  |
|-------------------------------------|-----------------------------------------------------------|--|
| Stainless steel interior            | Flat lid                                                  |  |
| Stainless steel back                | Vision panel lid                                          |  |
| Overshelves (single or double)      | Door & drawer locks                                       |  |
| Adjustable legs                     | Front breathing                                           |  |
| Rear mounted cutting board          | Compressor left (standard on right)                       |  |
| Composite cutting board             | Drawer in lieu of door section above the condensing unit* |  |

Consult factory for other model configurations, options and accessories. \*Drawer section above condensing unit holds (1) 12 x 20 x 6 pan.

### **Standard Model Features**

### **REFRIGERATION SYSTEM**

Performance rated refrigeration system Natural, environmentally safe, high efficiency R-290 refrigerant<sup>1</sup> Unique forced air design utilizes fans (approx. every 12") across the entire back of unit for even distribution of cold Automatic, hot gas condensate evaporator Non-corrosive, plasticized fin evaporator coil Easily serviceable, slide out condensing unit Expansion valve system

### **CABINET ARCHITECTURE**

| 2" non-CFC polyurethane foam insulation               |
|-------------------------------------------------------|
| Smooth, polished chrome door & drawer handles         |
| Spring loaded, self closing door over condensing unit |
| Magnetic snap in Santoprene™ door gaskets             |
| Stainless steel roll out drawers                      |
| 12" deep, full length nylon cutting board             |
| Insulated lid                                         |
| 5" casters                                            |
|                                                       |

### **MODEL FEATURES**

| Refrigerated section wi | th door above the | condensing unit |
|-------------------------|-------------------|-----------------|
|-------------------------|-------------------|-----------------|

(8) 1/6 size recessed pans, 4" deep

Electronic control, off-cycle defrost

Field rehingeable door over condensing unit

<sup>1</sup> R-290 refrigerant meets all federal and state regulatory requirements.

**NOTE:** Models come standard with a door above the condensing unit. A drawer above the condensing unit is an option.

APPROVAL:

### **Model Specifications**

#### DIMENSIONAL DATA

| Net Capacity (cubic feet)                                                                        | 22 (623 cu l)    |
